# 1st Annual ProXtreme

Founded in Honolulu in 1998 the ProXtreme soccer camp has been a tremendous success over the years bringing in some of the nation's top professional players. This year marked the first year the ProXtreme Camp was introduced to the CSRA. The camp was a great success and many players got the opportunity to interact and receive coaching by

professional soccer players. This year's camp featured Kenji Treschuk (Charleston Battery), Marie Yempuku (Atlanta Silverbacks), Danielle Blair (Atlanta Silverbacks), and Aiken's very own Mike Gustavson (San Jose Earthquakes). Also in attendance was youth development director, Jose Dydasco, from our Honolulu club. We are very excited to be able to offer this opportunity to all players in the CSRA soccer community. As the camp was a big success this year, we will look to make it even bigger and better next year. A big thanks to all those that donated their time and efforts in making this event a success. A special thanks to our sponsor of the

ProXtreme Camp, Southeast Homecare Respiratory. We will continue to raise the bar on the camps that we offer and the opportunities we can give our youth. Click on the link to see News Channel 12 Story. <http://wrwv.videogenesis.net/watch?v=4580>

## GA-SC Bulls Soccer Club U-11 Boys capture US Club Soccer Regional title.

The U11 Boys team made some great use of the weekend of June 27 and 28 winning the US Club Soccer Regional title. Some of the top teams from the Carolinas, Georgia, Tennessee, Virginia, Maryland, and Pennsylvania were in this Regional Cup hosted at Winston-Salem, NC.

This historic win is the GA-SC Bulls first state or regional title after a couple of teams from the fall flirted with State Cup championships at the U18 and U14 girls' levels of play.

The U11 team went a perfect 3-0 in group play to top group A and claim a spot in the Sunday finals. The team netted 24 goals in the pool play allowing just 9 goals over the three games.

A stubborn Cherokee County Impact (Atlanta) team awaited the Bulls in the final and on the strength of the Impact goalkeeper 'standing on his head' to make some spectacular saves took a 1-0 lead into the final minutes of the game. Then as time was just about to expire, Mitchell Myers hit one last shot on target that snuck over the goalkeeper's head tying the game with just seconds to play.

So on that final kick of the ball the game ended 1-1 full time and went into overtime.

After trading shots over the overtime period it looked like the Cup was going to penalty kicks to determine a winner until some more late game Bulls magic took place.

A Jacob Vaiden corner kick was whipped into the box where Trey Hammond delivered the final touch to find the nets and put the Bulls up 2-1 and capture the Cup with about a minute left in the overtime period. GA-SC Bulls 2-1 Cherokee Impact. Region Champs.

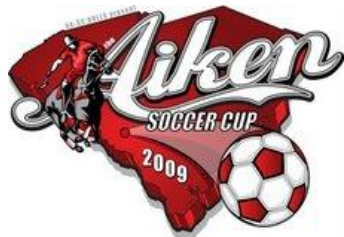

It was some great work by all the players and coaches in a historic weekend of soccer for the GA-SC Bulls. The coaching staff of Wes Meadows, Dave Myers, and Bates Harison did a wonderful job of guiding the team who included Myers, Vaiden, Hammond, Josh Rosenblum, Heath Brace, Drew Champion, Reid Demass, Nolan Boulineau, Nathan Pak, and Seth Robinson.

## Tournament Time!

We are fast approaching the 14<sup>th</sup> Annual 2009 Aiken Soccer Cup. Each year we are actively trying to grow the tournament to not only grow the Bulls Soccer Club but to grow soccer in the CSRA soccer community.

The tournament takes hundreds of hours of labor throughout the whole year to prepare for the tournament. We have had much support from our membership as well as support from local leaders and programs. As always we need help assembling goals, painting fields, and transporting goals to each field. We will also be asking for volunteers from each age group in helping many different tasks during the tournament. Your coach and manager have the sign-up sheet for these duties. We want to thank all those that have already signed up. We would like to thank our sponsors that have donated to the 2009 tournament: Home Medical Equipment, Regional Ambulance, Circle

K Gas, McDonalds, Captain D's, Dr. Keisler, Shoney's, Arthur Rich, Contract Callers Inc., and CSRA Advertising Specialists. Also, a special thanks to the Aiken Cup Committee that has put so much into the tournament each year and the USCA Aiken Men's Soccer Team who helps with the set up and break down of the goals.

## Bulls Players Travel the Country

Many Bulls players have been given the opportunity to travel the country and play in some of the country's top youth tournaments with our Honolulu group. This is a very unique opportunity we are fortunate enough to be able to offer to our players. "This gives our players, younger and older, the opportunity to play against some of the best teams and players across the country. This also creates friendships with a culture that is so different than ours. It's not every day that player from the South gets the opportunity to play soccer with a team from Honolulu in a tournament that brings in the top teams from across the country" (Wes Meadows) We will continue to do this throughout the Bulls Soccer club to maximize opportunities for our players. We are also creating opportunities for players in Honolulu to play in tournaments on the East coast. Below is a list of players from the Bulls that have traveled to play with our Honolulu group.
